Deck the Bingo Hall with These Ideas!

IDEAS:

- Use Arrow's **Capitol Barber Pole**, or **Spectrum** bingo paper with Arrow's **Christmas ink markers** to enhance the holiday theme for the bingo halls.
- Play a few bingo games that award players merchandise or gift certificates.
- Have the bingo hall invite players to bring new, or gently used coats, mittens, hats, or can/boxed food items to receive a discount on bingo packages. Donate the clothing and food items to local shelters, or church.
- Have Bingo caller dress as Santa, staff dress as Santa's Helpers. Turn the Hall into Santa's workshop!
- Package an early bird special prize in a Christmas stocking that includes Arrow's **Tear-Opens**, and **Christmas theme ink**. Add any additional gifts in the stocking such as discounts on concessions.
- Host a cookie exchange at the Hall by asking players to bring a dozen homemade cookies.
- Create a hat & mitten tree. Invite players to bring new hats & mittens to put on the tree for a special early bird discount. Then donate the hats & mittens to those in need.

- Sell Arrow's Christmas themed Popp-Opens!
- Decorate the hall with fun Christmas images (see attached to print and use).
